SCA 77 INDUSTRIAL RUST REMOVAL DETERGENTS

Oxidation of metal is most commonly referred to as rust. Rust removal techniques vary from surface to surface.

SCA 77 rust removal detergent composed of natural compounds, non- toxic, environmentally friendly and biodegradable successfully cleans rust from surface to surface that span the spectrum of multiple surfaces. Simply apply the rust removal compound and let it set for a while then rinse it away to reveal a like-new finish and functionality.

Direction of used: Direct apply to the surface

Packing Size: 1 liter and 5 liters
